Empires of Silk

304 pages

Language: Russian

The main circulation + gift VIP version

Circulation: 1000 copies

Retail price: \$14 / \$18 (VIP)

Print: Turkey

The book about the history of the development of the Great Silk Road and the emergence of silk in Central Asia.

“Empires of Silk” is the first fiction book by Akbar Khakimov, one of Uzbekistan’s leading art scholars, in the genre of historical prose. The historical novel “Empires of Silk”, full of poignant events, involves sovereigns and emperors of China, Sogd, Byzantium, the Ephtalite state and the Turkic Kaganate. The illustrations, hand-drawn by abstractionist artist Sanjar Jabbarov, make the book even more unique.

16

A children's book about caring for the Earth's resources.

The book was created under the auspices of the Ministry of Energy of the Republic of Uzbekistan, with the full support of the ERIELL Group, an international oilfield services group of companies. The project aims to attract the attention of children and to educate them about respect for the Earth's resources and to make them aware of energy and resource efficiency.

Sanoat Qurilish Bank

Corporate Book

84 pages

Language: Russian and English

Circulation: 1,000 copies

Sanoat Qurilish Bank is one of the oldest banks in Uzbekistan, financing the largest investment projects in strategic areas. As part of a large-scale rebranding of the bank and access to international communications, Dinara & Co. developed a corporate publication, special photo sessions were organized, infographics were prepared and analytical materials were created in two languages. The book has become a worthy example of a solid banking publication.
